

## The Saco associations create good conditions – for professionals like you

### Successful salary negotiations

Our salary statistics and advice provide you with the right information and arguments.

### Professional career counselling

This support includes personal guidance and seminars designed to meet your needs.

### The security of income insurance

The insurance complements your standard unemployment benefits and can provide additional income protection of up to 80% of your salary in the event you are unable to work due to involuntary unemployment.

### Advice and negotiation support

We offer advice and support on issues related to your work situation and promote your legal and collective agreement rights.

### Improve your workplace

Many workplaces have local academic associations through which we have the right to influence matters such as organisational changes, employment conditions and the working environment.
